

## RANGERS DOWN BONACCORDS

Foot Ball Game Was Close  
and Interesting

### BOTTOM BASES WIN AGAIN

The Montpelier Fats Were No Match  
for Barre's Heavyweights on the  
Ball Field, and Five Innings  
Settled the Game.

About 200 people were present at the Inter-city park Saturday afternoon to witness the association football game between the Rangers and Bonaccords and the base ball game between the now famous "Barre Bottom Bases" and the now extinguished "Montpelier Fats." The foot ball game was a close and interesting exhibition of the game, the Rangers winning out by a score of 4 to 3. The first half of the game ended in a tie, 2 to 2, Sloan making two goals for the Rangers and McRobie and Sheriffs each kicking a goal for the Bonaccords. In the last half Sloan soon put the Rangers one ahead by kicking a third goal, but the Bonaccords soon tied the score again by a good kick between the posts by Anderson. In the last few minutes of the game, Duguid forced the ball by J. Freeland, the Bonaccords' goalkeeper, for the winning score. The line-up: Rangers, Dun, goal-keeper; White and Brew, backs; Johnston, Dennis and Laing, half-backs; Maitland, Duguid, McLeod, Sloan and Burnett, forwards. Bonaccords, J. Freeland, goal-keeper; Bramer, A. Freeland, backs; Nicholson, Nicol, McRobie, half-backs; Anderson, Munroe, Conn, Craig and Sheriffs, forwards. Referee, Joe Will. Time, 35-minute halves.

### Bottom Bases Win.

The base ball followed the foot ball and resulted in the second victory of the season for the B. B. B.'s, by a score of 13 to 7, and it took only five innings at that to settle the minds of the Fats from down the river that they were outclassed, though they were augmented by several new players from the Inter-city League and some that were too young to be classed in any league. Punch Daley, ex-league player and manager, on whom the Montpelier Fats had placed their hopes for victory, struck out nearly every man that faced him in the first three innings, but in the fourth his waste of prosperity had proved too much for him to stand, and his cross-fire shoots went wild. Three men walked and though no one made a safe hit, all three scored through lame support by Daley's backers. In the fifth things went still worse for Punch, and before the third man was out a dozen had batted and nine runs had been scored. It looked bad for the three B's in the first two innings with the Fats seven runs to the good, and Barre batter hitting everything but the ball, but in the third and fourth Eddie Williams, the box artist for the B's, suddenly became invincible, and retired the side in order. In the last inning Skinny Nute, the vicious pitcher of the first game, went into the box to show them that he was still good and retired the first three men. The Fats then decided that the next car would just get them home in time for supper, and boarded it. The line-up of the teams at the start was as follows, though it was changed considerably before the finish:

among them being Reid's running catch of a long fly, which robbed Scampini of a two-bagger, and Cella's catch of Smith's line drive, which won deserved applause from the fans.

The Crescents registered 15 singles from Knapp's delivery, while Brown was

invaluable for the Crescents, striking out 14 men and allowing but one hit. Not

a player of the I. A. C. reached first base until the seventh inning, when Nute

stole and died stealing second. Frontini went to first on the short-stop's

error and stole second, being the only man who got as far as second during the

entire game. The score:

### A GREAT MILE BY ANGUS POINTER.

Paces in 1:01 1/4 at Syracuse—Another Heat in 2:02 1/4.

Syracuse, N. Y., Sept. 16.—The grand circuit meeting in connection with the

state fair closed Saturday afternoon,

with the best racing in the entire circuit

this year, Angus Pointer in the 2:03

pace making the first heat in 2:02 1/4,

and the second in 2:01 1/4, the latter being

the fastest mile trotted or paced in the

country this year. In the second

breaking mile Angus Pointer took the

lead at the start, and at no time was the

nearest horse within a good length of

him. It was the opinion of horsemen on

the grounds that if Angus Pointer had

been pushed he would have gone the

mile under the two-minute mark. There

was great enthusiasm when the time

was announced, and Sunderland was

wildly cheered when he drove back to the

judges' stand with his fast pacer.

The favorites took all three races.

Ethan Roberts won his second race of

the week, the 2:18 pace, in spite of

obstacles. The first heat he was forced

to the outside and broke badly. The

second heat he won by 10 lengths, but

was disqualified for interference with

Princess Hal and Julia Marlowe. He

paced eight heats in three days. The

fourth heat in 2:21 1/4 was due to the

horses back of Ethan Roberts going to

repeated breaks.

### CARRIE MYERS KILLED.

Boston Aeronaut Fell 1,000 Feet from a Parachute.

Olean, N. Y., Sept. 15.—Mrs. Carrie

Myers, 33, of Springfield, Mass., a

professional balloonist, fell from a

parachute 1,000 feet above the fair grounds

here yesterday and was dashed to death

in plain view of 8,000 people.

When about 2,000 feet above the fair

grounds Saturday afternoon, Mrs. Myers

took a look from the balloon with a

double parachute.

The web of canvas spread out and

Mrs. Myers was seen to release the

second and smaller parachute, holding on

to the trapeze rope. Just as the canvas

spread out and the rapid downward

flight of the parachute was suddenly

checked, Mrs. Myers fell over backward.

## ALVES IS CHAMPION

Wins Out Over Daniels on Barre Links

### PRESIDENT'S PRIZE MORE'S

Wins Out Over Smith at the Last Hole  
—A Large Number of Spectators  
at Saturday's Golf Events.

The Barre Golf club brought its annual

tournament to a finish on Saturday,

when the semi-finals and finals for the

championship, and for the president's

prize were played off. In the semi-finals

for the championship, Alves accounted

for Burgess 5 and 4, and Daniels for

Bailey 2 and 1; and in the president's

competition Smith beat Varden by 1

hole and More beat Milne by 1, an extra

hole having to be played to settle the

latter match. The final rounds were

witnessed by a large crowd, which some-

what affected the players' nerves, but

nevertheless the golf was of a high

standard, and especially in the championship,

when Daniels put up a great game

against Alves, but had to admit defeat

at the sixteenth hole. Alves thus carry-

ing off the championship of the links.

The other final between Smith and

More for the president's prize resulted

in More beating Smith at the last hole.

### HAS RARE PIECE OF MONEY.

O. A. Huggins, Windsor, Possessor of Bill Issued by Act of 1779.

Windsor, Sept. 16.—O. A. Huggins of

Windsor, is the owner of an ancient

piece of scrip issued by the United

States of North America, by a resolution

of Congress, Jan. 14, 1779. It says:

"That the bearer is entitled to receive

45 Spanish milled dollars, or an equal

sum in gold or silver," and has never

been cancelled.

It is printed on ordinary paper which

has become colored by old age and has

every indication of being genuine. The

strands of silk which are interwoven in

modern paper money are lacking in

this old bill. The number, 95,053, and

the signatures, W. Nichols and W. Gray,

are written in ink, and are clear and

distinct. There is a representation of

a beaver on one side and a bull

thistle on the other, with the imprint of

"Hall and Sellers, 1779."

The bill is about 2 1/2 by 3 1/2 inches in

size and came to Mr. Huggins through

his grandfather, Joseph Huggins of

Corinth, N. H., a farmer and captain of

militia, who lived there many years, and

died about 30 years ago, aged 80

years.

Mr. Huggins also has a bill for \$20

issued by the state of New Hampshire

and guaranteed by the United States,

by a resolution of congress of March

17, 1780. The latter bill is cancelled,

a circular hole being cut out of the

center.

### EELS BY THE BUSHEL.

Brattleboro, Sept. 15.—Bushels of eels

have been taken out of West river by

a force of men who are cleaning out

the pond above the Twin State Gas and

Electric company's dam at West Dun-

sterston. The men say the sight pre-

sented by the eels is unlike anything

they ever saw before.

The pond had become partly filled

with an accumulation of leaves, weeds,

sawdust and other material, and the

muck which had been formed by the

addition of dirt formed an excellent

place for the eels to thrive. A machine

with forks made for that special work

is used for bringing the muck to the

surface. The work of these forks has

created consternation among the eels

and so many of them have escaped

through the penstock that the water-

wheel have been clogged several times,

making it necessary to shut down the
